PREFATORY NOTE.

The Proprietors of the 'Edinburgh and Leith Post Office Directory' have pleasure in informing their Subscribers that the One Hundred and Thirty-second Annual Edition will be issued at the end of May as usual.

For the convenience of our clients the Names and Addresses of Residents in the following places, **Blackhall, Corstorphine, Davidson's Mains, and Liberton,** will be found alphabetically arranged in a **Special Section, in addition** to being shown in the General Directory and also in the Street Directory.

The Section containing **Apartments, Boarding Houses, Hotels, etc.,** has been enlarged, and will be found of great benefit to Visitors and others seeking temporary residence in the City.

This Edition embraces several important Towns in **Stirlingshire, Fife, Clackmannanshire, Midlothian, East and West Lothian, Berwickshire, Peeblesshire, Selkirkshire, and Roxburghshire,** which will be greatly appreciated by professional and business people generally. The 'Trades' belonging to these Counties will be found at the end of each County, arranged alphabetically.

There is an **Alphabetical List of Residences and their Occupants** for the above Counties, as well as for the City and Suburbs.

Edinburgh and Leith Postal Districts.—For the convenience of the public generally, two examples are given, showing how letters, parcels, newspapers, etc., ought to be addressed; the number at the beginning of each street indicates the Postal District to which the street belongs. The attention of the public is specially drawn to this correct method of addressing their letters, etc.

The **Register of Streets** has been carefully revised, and embraces an index to the Map, the Registrars' Districts, and the Municipal Wards as contained in Greater Edinburgh, as well as the Clerks for the Proclamation of Banns.

With this issue is given the new Map of Edinburgh, showing the Postal Districts, and also a 10-mile-to-the-inch Map, embracing the Eastern and Southern Counties referred to in the fourth paragraph.

The **Telephone Directory alphabetically and numerically arranged** and brought up to date will be found most advantageous to business circles in Edinburgh Leith, and Suburban Districts. *Note.*—The Leith Telephone Numbers shown in this Directory come into operation approximately on 25th July 1936.

The Proprietors desire to express their gratitude to the public for the unfailing and liberal support accorded them from year to year; and also to the gentlemen connected with the various Public Institutions and Societies of the City and surrounding districts for the information supplied by them.

The Public are respectfully reminded that the Proprietors insert the names of persons only who authorise the insertions and accept the conditions and terms of publication.

Every effort has been made to ensure accuracy, but the Proprietors do not accept responsibility for errors or omissions.

⁂ All Communications on Directory business should be addressed to the Editor, Edinburgh & Leith Post Office Directory Ltd., who shall give careful and prompt attention to all inquiries.

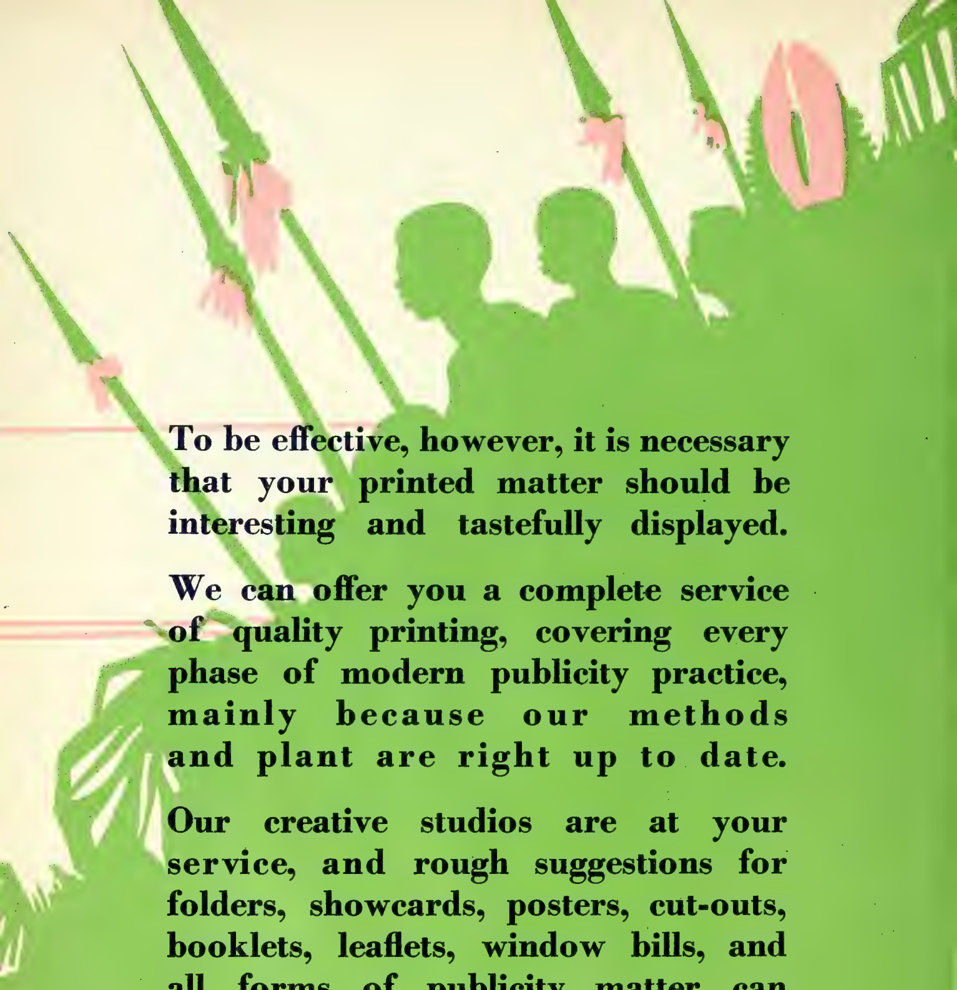
PENETRATE

THAT DIFFICULT MARKET WITH KEEN SELLING POINTS. PRINTED MESSENGERS REACH THOSE INNER SANCTUMS WHERE SALESMEN FEAR TO TREAD —— P.T.O



To be effective, however, it is necessary that your printed matter should be interesting and tastefully displayed.

We can offer you a complete service of quality printing, covering every phase of modern publicity practice, mainly because our methods and plant are right up to date.

Our creative studios are at your service, and rough suggestions for folders, showcards, posters, cut-outs, booklets, leaflets, window bills, and all forms of publicity matter can be in your hands at short notice entirely without obligation.

Let us submit suggestions free of charge

HENDERSON, ROBERT, mineral boring and well-sinking contractor, 7 Ulster crescent, Edinburgh. All kinds of mineral boring conducted, such as proving mineral fields, etc., and for ascertaining the nature of excavations for proposed lines of railways, docks, water works, and for foundations of viaducts, piers, and all heavy engineering structures. Shafts for hydraulic lifts sunk to any depth, and also bored up to a diameter of 24 inches. Artesian wells of every description bored with the diamond boring process and other systems, according to the nature of the work. Special attention given to the sinking of deep wells for breweries, factories, and town supplies, etc. Estimates furnished. Telegraph address, 'Artesian, Edinburgh'

COMPLETE PRINTING SERVICE

You want a booklet. It needs drawings and blocks—or photographs—and the **idea** is important. And what colour? And which process? You can put the worry "on to us." Idea, layout, blocks and any process, all UNDER ONE ROOF, makes for speedy handling, and an unusual job. Ask us to put in a suggestion. Fine colour work is our long suit. We have specialised in **colour** since 1872.
